

# Face to Face (Lead me up Lord)

**D G D/F#**  
Lead me up Lord to your mountain  
**G D/F# A Bm**  
Let me come within the cloud  
**A/C# D/F# G D/F#**  
Give me clean hands and a pure heart  
**G D/F# A D Dsus D**  
May my feet find holy ground

As your favour rests upon me  
Show your glory, Lord I pray  
Hide me in the Rock of Ages  
On your mountain I will stay

**Bm G**  
*Face to face, I love to be*  
**Em A**  
*In your presence, in your presence*  
**Bm G**  
*Face to face, where I am free*  
**Em A Em A**  
*In your presence, in your presence*

Brought to kneel in adoration  
Hands held high in loving praise  
Worship rises, sweetest incense  
As your glory fills this place

Earth and heaven sweetly mingle  
Lost in awe, what can I say?  
May my heart be ever fixed here  
Help me never rush away
