

Follow You

VERSE 1:

E Emaj⁷
From the first rays of morning
E⁷ Fo⁷
As they break the clouds of night
F#m⁷ B
Radiant fingers split the curtains

Draw me, blinking, to the light
E Emaj⁷
O majestic Creator
E⁷ C#⁷
Help me live within your sight
F#m⁷ B Am⁶ E
As I give my life to you today

VERSE 2:

Lord I give you the pathways
That my feet will traverse
On the roads often travelled
Or the highways less rehearsed
Watch my coming and going
God of all the universe
For I want to follow you today

CHORUS 1:

Bm⁷ F#m⁷ E
When it goes against the grain
Bm⁷ F#m⁷ C#m⁷
Though the world should turn in hate
D A/C# G/B D/F# A
Help me al - ways fol - low you

VERSE 3:

Lord I offer the work that
I've been given to do
Help me through the tasks before me
Whether many, whether few
May my joy be unchanging

Knowing who I am in you
Fill me up to live for you today

VERSE 4:

In the day's interactions
With the people I will see
Closest friend or distant stranger
To love them as you love me
Help me just to be like Jesus
Even love my enemies
As I seek to follow you today

CHORUS 2:

When it goes against the grain
Though the world should turn in hate
I will follow after you

VERSE 5:

Lord I give you the evening
Praise you in the fading light
As I come to my resting
Be my peace in the night
Even speak in my dreaming
And when morning comes again
I will follow you until the end
